## **Oldcastle Precast Lebanon Grant Foster Children's Wishes**

LEBANON, Tenn. (January 2018) – Children from the Wilson County, Tennessee foster care program were granted wishes by Oldcastle Precast employees this holiday season.

Partnering again with Katrina Hildebrand of the Wilson County, Tennessee foster care program, Oldcastle Precast Lebanon, Tenn. employees happily provided holiday cheer to nine foster children, from three sibling groups, ages 1 through 16.

Having five wishes each, the children's wishes were granted by the employees, who donated their time and resources to provide their requested gifts.

"We were happy to make those needs and wishes come true," said Dave Terry, Oldcastle Precast Site Manager. "This is a vital community service project that we hope to support in the coming years."

*About Oldcastle Precast:* Oldcastle Precast is the clear choice for building products and services for North American infrastructure projects. We are a leading provider of engineered product solutions nationwide to a number of market sectors including Building, Water, Communications, Energy, and Transportation.
