## **Oldcastle Precast Leadership Gives Back to Veterans in Florida**

ATLANTA, Ga. – At a recent leadership forum in Orlando, senior leaders from Oldcastle Precast mobilized to assemble wheelchairs and mountain bikes for veterans at the Orlando VA Medical Center.

Honored and extremely enthusiastic to partner with Soldier's Angels and contribute to such a worthy cause in the Orlando area, the Oldcastle Precast team gathered at the Orlando VA Medical Center with the goal of giving something back to our veterans and the community.

"Our teams built 30 wheelchairs and 13 mountain bikes for the veterans," commented David Stevens, President of Oldcastle Precast. "It was a fun team building event, and we assembled the wheelchairs and mountain bikes as a unified team for a great cause! We are grateful for the opportunity to contribute to the Soldier's Angels efforts to make the lives of our heroes much better during their time at the Orlando VA Medical Center."
