

HosEnclose™

Hose Storage System

Out-of-Sight Storage

Convenient Access

Superior Strength

Easy Access
No Clutter

HosEnclose™ is an underground garden hose storage system that offers quick, convenient access to water and a garden hose in a variety of settings. Install HosEnclose near potted plants and flower beds for daily watering, hardscapes and patios for occasional cleaning, and driveways for washing vehicles. Easy installation in landscapes and wood patio decks.

Right where you need it.

The HosEnclose™ underground garden hose storage system is ideal for both turf and deck installations. The hinged cover with recessed handle allows easy access to a commercial-grade hose and quarter-turn (on or off) ball shut-off valve. HosEnclose are strong enough to withstand both pedestrian and light incidental traffic from landscape equipment.

- Quick and easy access
- Strong, durable design
- Ideal for turf and deck installations
- Fifty-foot commercial-grade hose
- High-quality brass "Fire Hose" nozzle
- Molded floor for excess water drainage

Specifications:

- Outer Dimensions: 21 1/2" L x 15" W x 12" D
- Weight: 13 lbs
