

Carson[®]

NexGen 0018D Meter Pits

20K Load Rating

HDPE & Cast Iron Covers

Various AMR options

Choices and Options

Carson[®] NexGen 0018D high-strength meter pits provide you with the strength and durability you know and expect. Choose from two body styles, three available depths, and options to match your application needs and maintain your budget. Updated HDPE covers fit our Lid Seat style bodies and also fit the cast iron rings used on our Standard style bodies.

Simple solutions. Many options.

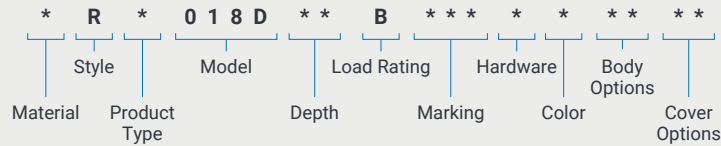

Our most common parts and product configurations are referenced below. Use the SKU builder or contact your sales representative for additional product configurations.

Body with Lid Seat, 2 Mouseholes and HDPE Flush Cover with Water Marking
