

Plastibeton®

Cable Risers

High-Grade Aluminum

Standard/Custom

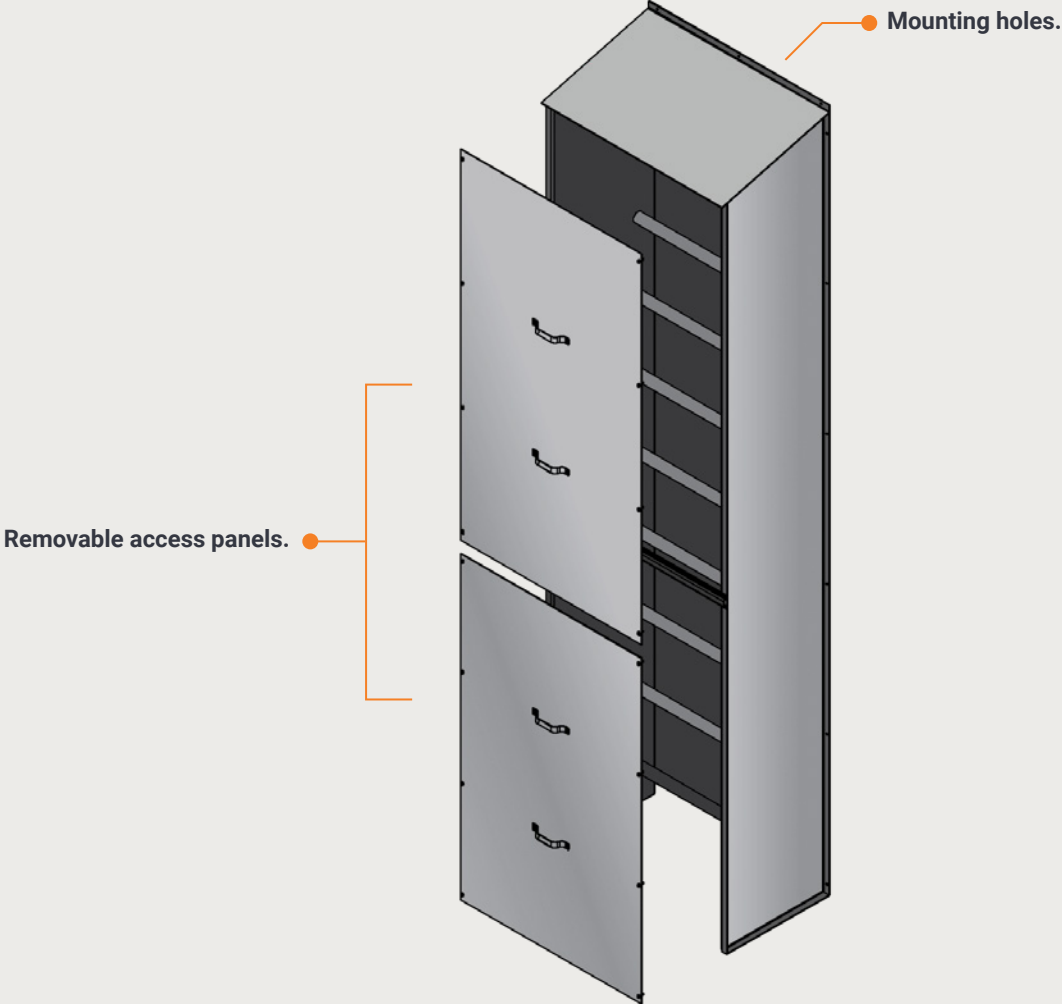

Vertical Cable Management

 **Oldcastle Infrastructure**[™]
A CRH COMPANY

Oldcastle Infrastructure cable risers are made of high-grade aluminum and designed to support and house your vertical cabling from Plastibeton® trench up and into the control building. Removable panels allow access for maintenance and service. Cable risers are available in standard sizes and can also be customized to the width, depth and height you need.

Cable management from trench to control.

Cable risers are available in custom widths, depths, and heights.

Model	Width (Inside)	Depth (Inside)	Height (Inside)
40-18-120	40"	18"	120"
40-12-120	40"	12"	120"
30-18-120	30"	18"	120"
30-12-96	30"	12"	96"
20-18-120	20"	18"	120"
20-12-96	20"	12"	96"
