

Carson[®]

NexGen 0018D Meter Pits

Multiple Depths

With/Without Lid Seat

AMR Options

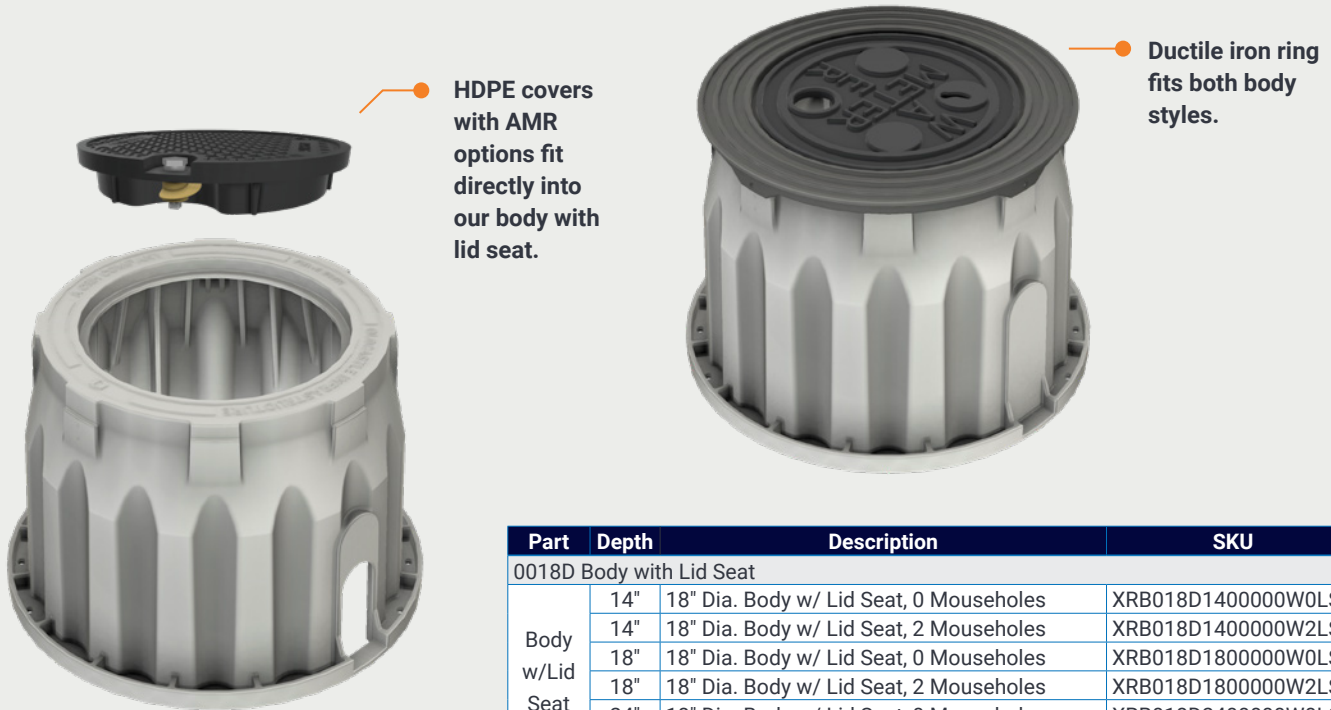

**Choices
and Options**

Carson[®] NexGen 0018D meter pits provide you with the strength and durability you know and expect; with sizes and options to match your application needs and maintain your budget. Utilize a cast iron ring and cover with either body type or simplify things and fit a cover directly into our body with lid seat.

Simple solutions. Many options.

Our Carson NexGen 0018D high-strength meter pits are available in three depths and two body styles; with and without lid seat. Available with a cast iron ring and cover or, HDPE covers with AMR and locking options.
