

Highline

Millennium Box Pad

Long Lifespan

UV Protected

Non Conductive

**Quality
and Strength**

Our innovative, patented, design results in a product that is extremely strong and durable, yet lightweight. These products are manufactured at our ISO9000 certified plant using compression molding tools and a specially formulated SMC (sheet molding compound). This process assures consistent product quality as well as other benefits like rapid production, UV protection, fire resistance and ease of installation.

Durability over the long haul.

Features

- 30 year lifespan test revealed successful loads up to 8,000 lb while complying with deflection criteria of Northeast Underground Guidelines (NEUG)
- UV protection throughout the entire product, versus surface only protection of a spray up fiberglass box
- Superior side wall strength helps reduce sidewall deflection
- Easy installation – up to a 40% weight reduction from traditional box pads
- Fire retardant
- Rapid production– yields shorter lead-times
- Available in 15", 24" and 32" depths
- Standard and custom opening options

15" Transformer Box Pads

Model SKU	Top Opening
HL374315-1221	12 x 21
HL374315-1225	12 x 25
HL374315-1424	14 x 24
HL374315-2020	20 x 20
HL374315-2224	22 x 24
HL374315-2426	24 x 26
HL374315-2626	26 x 26
HL374315-2632	26 x 32

Length	Width	Height
37.5"	43"	15"

24" Transformer Box Pads

Model SKU	Top Opening
HL374324-1221	12 x 21
HL374324-1225	12 x 25
HL374324-1424	14 x 24
HL374324-2020	20 x 20
HL374324-2224	22 x 24
HL374324-2426	24 x 26
HL374324-2626	26 x 26
HL374324-2632	26 x 32

Length	Width	Height
37.5"	43"	24"

32" Transformer Box Pads

Model SKU	Top Opening
HL374332-1221	12 x 21
HL374332-1225	12 x 25
HL374332-1424	14 x 24
HL374332-2020	20 x 20
HL374332-2224	22 x 24
HL374332-2426	24 x 26
HL374332-2626	26 x 26
HL374332-2632	26 x 32

Length	Width	Height
37.5"	43"	32"

Accessories

Model SKU	Description
HL-45-2EF	Box Pad Cover, Electric Logo, Penta Hardware
HL-45-2EP	Box Pad Cover, Electric Logo, Fargo Stud

Spacers for Grade Change

Model SKU	Description
HL-45S-04	4" Spacer : 37 x 43 Top Opening 26 x 32
HL-45S-10	10" Spacer : 37 x 43 Top Opening 26 x 32
HL-45S-04 SO	4" Spacer : 37 x 43 Top Opening 22 x 24
HL-45S-10-SO	10" Spacer : 37 x 43 Top Opening 22 x 24

All nuts are encapsulated. To specify Transformer Tie Downs, add a "T" to the end of the Model SKU.
