

Carson[®]

Specification Grade

Easy Installation

Lightweight

Superior Strength

**Performance
and Value**

You can depend on the trusted Carson[®] Specification Grade product line to deliver reliable hand holes, valve boxes, meter boxes and vaults that are designed for maximum vertical and lateral strength, outstanding value, and easy installation. Carson high-density polyethylene (HDPE) products provide reliable, chemical and water-resistant performance in a variety of sizes, shapes, and colors.

A name you trust. Durability you expect.

Carson® Specification Grade boxes are lightweight, easy to install, and provide strong, durable performance with water and chemical resistance. Components are available in black, green, gray, tan and purple.

- Flush Cover and T-Cover styles have options that include reader doors, hinged covers, automatic meter read (AMR) and locking components.
- Mouseholes and knockouts accommodate a variety of pipe configurations and are easy to modify in the field with 18V power tools.
- Flush Cover and T-Cover styles have options that include reader doors, hinged covers, automatic meter read (AMR) and locking components.

Model	Size (LxW)	Shape	Depths	
809	7" Dia	Round	9"	
910	10" Dia		10", 18"	
2200	12" Dia		18"	24"
1017	10" x 17"	Rectangle	12"
